

MITZVAH COMBATTING FOOD INSECURITY MORSELS REDUCING FOOD WASTE

WEDDINGS: SHIVAS: BRIS: BAR/BAT MITZVAH

The Mitzvah Morsels program ensures that there is a delivery point for consumable excess food from events so that it not only goes to people who need it but it also avoids the tremendous food waste that these occasions produce.

How it works:

1. At the end of the event please divide all untouched food in portions for 2-4 people.
2. Please label with contents and date it was made.
3. Check out [www. https://www.nelliefoundation.ca/](https://www.nelliefoundation.ca/) for the closest community fridges to you.
4. Get your team together and donate
